OFFICE OF LEGISLATIVE COUNSEL

Saturday - 23 April 1977

[REDACTED] LIAISON Called Sam Hoskinson, National Security Council staff, to advise him of the Senate Select Committee on Intelligence action [REDACTED] yesterday. He said that they had received the letter addressed to the President from Chairman Daniel Inouye (D., Hawaii) but he was a little confused by it so I explained the background of the situation to him. I also told Hoskinson that Ted Shackley, ADDO, had a group preparing some papers for the Director to send to the President on this subject and read to Hoskinson parts of a draft letter I had prepared tentatively for the President to send to Chairman Inouye in response to his referral. Hoskinson said he thought my letter was on the right track and he would appreciate getting something from the Director as soon as possible on Monday since the President has an extremely busy schedule next week. Hoskinson also LDX'd to me a copy of the letter and proposed [REDACTED] statement as it was sent to the President. Copies were distributed to: DCI, DDCI, DDO, OGC and IG.
